Blacksmithing 101 ~ Adult 18+

Students will learn to light and work with a coal forge to heat metal and use hammers and other tools to forge, bend and twist metal into desired shapes. Students will work on three projects including their first pair of blacksmith tongs. A limited class size and low student: teacher ratio ensures plenty of coaching as you learn.

Class Information:

Dates: Saturday or Sunday Sessions Available

Hours: 9AM-3PM

Cost: \$120.00

Cost covers three consecutive months of instruction, (i.e. Jan, Feb and March) and includes coal fees and steel fees. An additional membership fee is required .

Students must wear long pants and closed-toe shoes. Natural fiber clothing only.

Students should bring comfortable eye protection and a 24-40 oz. wood-handled hammer (ball peen or the Craftsman/Vaughn blacksmith hammer - NO claw hammers!) Hearing protection, leather apron, and drinking water are recommended.

Class sizes are limited and if sessions are full they will be removed from catalog.

Blacksmithing 101 Paired Youth (Ages 10-17) + Accompanied Adult:

Minors (Ages 10-17) may enroll in this class with an accompanied adult, together students will learn to light and work with a coal forge to heat metal and use hammers and other tools to forge, bend and twist metal into desired shapes. Students will work on three projects (one each month) including their first pair of blacksmith tongs.
